**COUNCIL CHAMBERS**

Town Council is giving consideration to amending Land Use Bylaw #22-2007.

The amending FireSmart Bylaw #09-2020 proposes to add regulations to the Land Use Bylaw #22-2007 with respect to the subdivision and development of land.

The proposed regulations:

- add definitions for various FireSmart terms;
- allows the development authority to require an applicant for subdivision or development to submit a Wildfire Risk Assessment;
- allows the development authority, where proposed lands are susceptible to wildfire hazards, to require the applicant to establish a 1.5 m non-combustible zone around the perimeter of all structures;
- require fencing in the 1.5 m non-combustible zone to be of fire resistive materials;
- require landscaping in the 1.5 m non-combustible zone to be in accordance with FireSmart guidelines;
- for developments in Area A, the development authority **may**:
  - require roofing, exterior siding, decks, porches and balconies to be constructed of fire-resistive materials;
- for developments in Area B, the development authority **shall**:
  - require roofing, exterior siding, decks, porches and balconies to be constructed of fire-resistive materials.
